WEEKLY SCHEDULE, (THE LETTERS GS REFER TO THE BOOK BY GIL STRANG).

1. IMPORTANT UPDATE

Deadline to Withdraw with a W grade from Individual Courses or Withdraw from all Courses The deadline that was March 11, 2020 is being extended to May 2, 2020, the end of the Spring 2020 term as listed on the academic calendar. It is important to note that there has been no change to the refund calendar. This is an academic decision and does not impact fees. Refunds for individual courses exist during the first week of the term only and that has not changed.

2. WEEKLY SCHEDULE

This page is tentative and will change on a weekly basis, so please visit it often.

Week 1, January 7 and 9: Please read Sections 1.1-1.5 in GS. This material should be very easy for you since it is a review. Please work on Homework 1 and submit it for grading on January 16 in class.
