

CDSNS Workshop on Hamiltonian Dynamics

April 5-6, 2003 – Georgia Institute of Technology

List of Speakers:

Sergey Bolotin

(University of Wisconsin-Madison, USA)

Federico Bonetto

(Georgia Institute of Technology, USA)

Rafael de la Llave

(University of Texas at Austin, USA)

M. Alejandra Gonzalez

(University of Texas at Austin, USA)

Mark Levi

(Pennsylvania State University, USA)

Vieri Mastropietro

(Università degli Studi Roma, Italy)

Tere Seara

(Universitat Politècnica de Catalunya, Spain)

Turgay Uzer

(Georgia Institute of Technology, USA)

Martijn van Noort

(Georgia Institute of Technology, USA)

C. Eugene Wayne

(Boston University, USA)

Yingfei Yi

(Georgia Institute of Technology, USA)

Jiangong You

(Nanjing University, China)

The CDSNS Workshop on Hamiltonian Dynamics is a series of two-day events sponsored by Georgia Institute of Technology, School of Mathematics
Center for Dynamical Systems and Nonlinear Studies.

All lectures will take place in the Skiles Building,
Room 269 beginning at 9:00 AM
